

IARC Meeting 20: July 13th 2018: minutes

The meeting commenced at 21:00 AEST. AC, MC, MO and CS were in attendance. William Lees joined the meeting.

1. The minutes of Meeting 19 were accepted, with edit from CS.
2. An error in the minutes of Meeting 11 (13/4/2018) involving the IGHV4-30-4*i01 sequence was identified by MO. It was agreed to modify and re-post the minutes.
3. The committee discussed progress with TPA and GenBank submissions. Issues discussed included TPA and SRA numbers, and their inclusion in the documentation sheets.
4. The committee resolved to discuss the Policies document and a letter to IMGT at the next meeting. The need to complete and check submission sheets for B16 sequences was highlighted.

The next meeting (Meeting 21) will be on Friday July 27th at 21:00 AEST.

The meeting ended at 22:05 AEST.
