

Minutes of IARC meeting 125, August 21th, 2023

In attendance: Andrew Collins, Martin Corcoran, William Lees, Corey Watson, Mats Ohlin, James Heather

1. Approval of minutes of meeting 124

Approved

2. Next meeting

September 11th, 2023 at 10.00 UTC

3. Discussion with AIRR-C Strategic Planning Sub-committee

Summary of MO's recent discussion with Jamie Scott on the future strategy of IARC and its association with IUIS.

4. Germline reference set manuscript

Discussion. The paragraph on IARC's association to IUIS was accepted. It was noted that all sequences of the Reference set has been extended to be full length. The text on duplicated genes was updated.

5. Inference data defining IGKV3-15*01_A117G and IGKV3-15*01_G107A

Data supporting these inferences are available in VDJbase. Submission to ENA and OGRDB is still pending. It was decided that we can move forward with inclusion of these alleles in the manuscript.

6. IUIS Nomenclature subcommittee process

Presentation by AC on the process expected to develop within the subcommittee with respect to novel alleles and extension of existing, but incomplete alleles.
